Education

- B.E - Cyber Security
  Mahendra Engineering Colleg (Autonomous)
  CGPA: 8.2 | Excepted Graduation: May 2027
- Secondary Education
  KKHS School - Paramathi velur

Skills

- Security Tools: Wireshark, Nmap, Metasploit, Burp Suite, Nessus, Kali
- Password Cracking Simulation
- Linux
- Networking: TCP/IP, Firewalls, VPNs, IDS/IPS, Network Monitoring
- Operating Systems: Linux (Ubuntu,Kali), Windows Server, macOS

Executive Summary

Motivated and detail-oriented Cybersecurity student with a strong foundation in network security, ethical hacking, and system adrinistration. Passionate about identifying vulnerabilities, protecting digital assets, and developing secure computing environments. Eager o apply academic knowledge and hands-on skills to real-world cybersecurity challenges in a professional setting

Project

- **Network Scanner - (Duration January 2024 - January 2025)**
  Network-Scanner is a powerful tool designed to scan and analyze network environments, helping users identify connected devices, their IP addresses, open ports, and potential vulnerabilities. This project aims to provide a comprehensive solution for network administrators and cybersecurity professionals to maintain and secure their networks.
  Language : Python,Linux system administration

- **Smart Attendance Using Face Detection**
  An automated attendance system that leverages facial recognition technology to identify and record student presence efficiently
  Language : Python

Certification

- 1st Prices on Short-Flim, Talent Hunt (Dec 2023)
- THE TATICS OF SOCIAL ENGINEERING (Nov 2024)
- Participate in "Cryptography " Workshop, Tech Fest'25 (Feb 2025)
